

Weather: The week ahead

SUNNY conditions and a top of 24 degrees in Singleton today, with showers predicted tomorrow through to Thursday.

Rainfall is expected to arrive midday tomorrow, with a chance of afternoon thunderstorms in the Upper Hunter.

Wednesday and Thursday will see continued rainfall, as the cold front changes from a south westerly direction to south east.

Partly cloudy conditions and morning fog is expected from Friday onwards, with tops of 20 degrees on the weekend.

The Glennies Creek Dam remains at 58 percent capacity, a 0.3 percent increase since last week.
